DAY 9

Adding the Scrap Yarn:

When **Rnd 70** is knitted, knit only dpns 1 and 2 (don't do anything on dpns 3 and 4) with a piece of scrap yarn in a contrasting colour. This will become the stitch holder that you remove later on, when you knit the heel.

When you've knitted the scrap yarn on dpn 1 and 2, go back to dpn 1 and start knitting in the round again, on all 4 dpns, above the scrap yarn and from the chart.

Continue to knit six rows daily according to the chart (rnds **71 – 154**)
